Profile:

Board Certified in Construction Law by the Texas Board of Legal Specialization, Billy Davis' practice is focused on construction litigation, dispute resolution, and claims counseling. Billy's clients include all parties in the project delivery chain: owners, developers, general contractors, subcontractors, and suppliers. An accomplished advocate, Billy has represented clients as both plaintiffs and defendants in state court, federal court, and in arbitration proceedings. His experience includes representation of clients in a wide range of construction-related disputes, including matters related to: breach of contract, breach of warranty, contractual and statutory indemnity, performance and payment bond claims, construction defect claims, delay and disruption claims, fraud claims, mechanic's and materialman's lien claims, mineral lien claims, prompt payment claims, trust fund claims, bid protests, bid mistakes, differing site conditions, and contract termination. In addition to his litigation and dispute resolution practice, Billy drafts, reviews, and negotiates construction contracts. Billy also has significant experience with insurance coverage claims and insurance litigation.

Representative Experience:

- Represented heavy civil contractor in prosecution of construction efficiency impact claims against public entity. Defeated the public entity's claims of sovereign immunity through appeal. The case was settled on terms favorable to the client.
- Served as first-chair trial counsel for a specialty subcontractor in a lawsuit involving the prosecution of breach of contract, payment bond, and extra work claims due to differing site conditions. A week-long jury trial resulted in a verdict for 100% of the damages claimed by our client, a finding of no liability on our opponent's counter-claim, plus an award of approximately 90% of the client's attorneys' fees.
- Represented multi-family developer/owner as lead counsel in delay claims against general contractor on multiple projects. The claims were resolved on terms favorable to the client.
- Led prosecution of heavy civil contractor design defect, breach of contract, and breach of warranty claims in litigation against multiple engineering firms arising from a bridge lift system failure during a maintenance project for the Harris County Toll Road Authority. A significant confidential settlement was obtained for the client prior to trial.
- Represented metal building manufacturer in prosecution of breach of contract and payment bond claims against general contractor. A settlement was secured for more than 95% of the clients claim.
- Defended subcontractor against large-scale construction delay, construction defect and water damages claims relating to construction of 33-story hospital systems development.
- Represented EPC contractor in prosecution of non-conforming goods/defective workmanship claims, delay, and disruption claims against fabricator of pressure vessels to be used in a petrochemical processing facility expansion project.
- Led prosecution of structural steel erection contractor delay, investigation, emergency mitigation, and cover cost claims in litigation against crane operator arising from a crane accident at a construction project site. A significant confidential settlement was obtained for the client.
- Represented Houston-area country club in prosecuting claims against its insurance broker for failing to procure insurance coverage required and requested by the club. A favorable, confidential settlement was obtained for the client.
- Represented Design-Builder in defense of multi-million dollar property damage claims due to differential foundation movement at a large retail store.
- Represented commercial general contractor in defense of construction defect and water intrusion claims at a large condominium development.
- Represented commercial landscaping contractor in claim for wrongful termination by owner, recovering a significant portion of amounts owed for work performance and paying none of the liquidation damages sought by the owner.
- Represented multi-family developer in two separate arbitrations of construction defect claims against the general contractor and architect.
- Represented multi-party owners in prosecution of construction defect claims against the general contractor.
- Represented heavy civil subcontractor as second chair counsel in federal court in defense of indemnity claims brought by the bonding/surety relating to complex, multi-state projects.
- Successfully represented multi-party clients as second chair counsel in a four-day arbitration relating to breach of contract, fraud, negligent misrepresentation, breach of fiduciary duty and conversion claims on a foreign industrial gas facility, resulting in a take nothing award on all claims in our clients' favor.
- Served as second chair counsel in the prosecution of a fraudulent transfer lawsuit, successfully representing a client who was the victim of an investment scam.
