Profile:

Katy's practice focuses on advocating for general contractors, subcontractors, suppliers and owners on a variety of construction related issues including: construction defects, contract termination, mechanic's liens, performance and payment bonds, breach of contract disputes, and collections matters through litigation and alternative dispute resolution. Katy also uses her Masters of Business Administration to provide her clients with company specific legal support and litigation/dispute strategies that strive to further each of her clients' business/fiscal goals.

Representative Experience:

- Obtained a seven-figure award, in addition to the recovery of all attorneys' fees, while serving as second-chair in a multi-week arbitration representing a general contractor in a dispute against an Owner of a large multi-family complex in Houston, Texas
- Tried case to jury, as second chair, and won a six-figure judgment on behalf of the general contractor to obtain the completion/ supplementation costs incurred as a result of subcontractor's failure to perform on a university system project
- Participated as lead associate in M&G Bankruptcy resulting in a multi-year effort to obtain payment on behalf of 17 subcontractors who provided labor and/or materials to the M&G Chemical Plant in Corpus Christi, Texas. To date our clients have collectively achieved payment of over \$62 million while the plant was being sold during bankruptcy proceedings
- Served as first-chair in a bench trial regarding a payment bond dispute where the Court asked for mediation prior to ruling in favor of directed verdict for my subcontractor client. A favorable outcome was obtained prior to final ruling
- Performed as first-chair in a jury trial on behalf of a general contractor relating to a breach of contract dispute against a subcontractor
- Lead a multi-party six-figure settlement for a payment dispute over a restaurant build-out on behalf of the general contractor and secured third-party landlord-tenant funds, in addition to Owner pay-outs, to achieve payment of over 88% of client's claim
- Drafted master subcontract agreements/ service agreements for general contractors and subcontractors
- Negotiated assignment agreement to directly pursue payment for emergency work provided to City of Houston (where the general contractor failed to maintain a bond on the project) and successfully collected over \$600,000.00 for client supplying materials to the project
