Phone: (713) 850-8601

Fax: (713) 850-4211

### Profile:

Susan George's practice focuses on commercial real estate and corporate/commercial transactions. Her real estate practice covers all aspects of the process of buying, owning, developing, financing, leasing and selling commercial real estate. She works with clients having a wide range of experience with commercial real estate – including well-established developers and first-time commercial tenants and purchasers. She handles borrower-side acquisition and construction financing, contracts for management, marketing, and leasing property, and sales of developed projects. Susan works with several out-of-state law firms as their go-to Texas counsel for clients buying, developing and financing properties in Texas. She also has extensive condominium experience. Her corporate/commercial practice centers on the formation and restructuring of commercial business entities, as well as raising capital through exempt offerings, stock and asset sales and purchases. She represents her clients in their ongoing business activities and often functions as outside general counsel advising and helping clients to secure and manage other professionals and specialized or out-of-state counsel when needed.

Susan plays an active role in the firm's Women's Initiative and is also dedicated to attorney mentoring. She has been involved with steering the firm's law student programs since 2012, and as Chair of the Law Clerk Committee has guided more than 50 law clerks through the firm's summer programs.
